

Jesus The King

Let me tell you a little something about Jesus the King;
It's so good it will make you sing;
He came down to Earth new life to bring...
And now across the world hallelujahs ring.

Hallelujah! (*Leader shout*)

Hallelujah! (*Congregation echo*)

Now raise your hands in the air;
I said "raise your hands in the air",
And get down on your knees in prayer;
And if you like living in The Kingdom let me hear you say 'ooh yeah!'

A four-four timing rap
