

Verse 1

D G D A
I once was lost going round in my sin,
D G D A
There was no hope and no songs to sing.
G D G A
Born into evil, and gone away

But I'm not alone,

a whole nation has gone astray!

Chorus

D G A
We want a revival in this land,
D G A
Our hearts stirred to love again,
D G A
Compassion of the Father in our lives,
G A G A G A D
Revival, revival, revival, tonight!

Verse 2

D G D A
Becoming self-centred, our first love is lost,
D G D A
The fire has dwindled, and look at the cost...
G D G A
Busyness and speed with no time for prayer,
D G A
Is it any wonder how we can no longer care?

Instrumental
