Now to each one the manifestation of the Spirit  
is given for the common good.

To one there is given through the Spirit the message of wis-  
dom,  
to another the message of knowledge by means of the same  
Spirit,  
to another faith by the same Spirit,  
to another gifts of healing by that one Spirit,  
to another distinguishing between spirits,  
to another speaking in different kinds of tongues,  
and to still another the interpretation of tongues.
